# WHAT IS DANCE STAR?

## **PRE-SCHOOL DANCE:**

Dance Star Australia is an educational pre-school program with the vision to provide quality dance education in an open learning environment for our next generation to explore, discover and create. During classes, each student is encouraged to embrace their inner 'Dance Star', channelled through important messages that are delivered by our characters, 'Flexi Lexi', 'Sisqo Disco', 'Benny Beats', 'Sophie Sparkle' and 'Tippy Tash'.

## **LIVE ENTERTAINMENT:**

In addition to our classes, DS Australia also hosts live shows, known as Dance Star Live, that provide an immersive and entirely interactive experience based around the characters used in-class and through our original music. These exciting shows are all about discovery. Our cast encourage a new level of imagination through story, song and dance. We are now seeking new talent to perform in our 2023 Dance Star Live shows
